

ReSource Pro Named to *Inc. 500* List

Insurance process outsourcing leader ranked #57 in list of 500 fastest growing companies.

NEW YORK, August 13, 2009 *Inc.* magazine today named ReSource Pro, the leader in insurance process outsourcing, as one of America's fastest growing companies by including it on the 2009 Inc. 500/5000 list. Ranked #57, ReSource Pro is the only insurance outsourcing company to receive such an honor.

The 2009 listing shows that ReSource Pro achieved a three-year growth rate of 2,239.5%. The company's phenomenal rise is best understood by comparing 2005 revenues of \$330,000 generated by 5 clients and handled by 42 employees, to 2008 revenues of \$7 million with 60 clients and 469 employees.

"It is an honor for ReSource Pro to be included in this elite group of entrepreneurial companies", said Dan Epstein, CEO. "Credit for doubling our income every year over the past three years is totally due to the extraordinary effort and commitment of our employees. The entire ReSource Pro team has shown an unceasing commitment, pride and passion in building a company that offers them both a home and a future. The defining difference is that everyone knows that our true strength is in the value we create and the relationships that we build for our client partners."

"If you want to know which companies are going to change the world, look at the Inc. 500," said Inc. Editor Jane Berentson. "These are the most dynamic, fast-growth companies in the nation, the ones finding innovative solutions to problems, creating smart systems, and inventing products we soon discover we can't live without.
