## **ReSource Pro Named to Global Outsourcing 100 List**

Joins Industry Leaders Roster for Third Year

**NEW YORK, NY, May 9, 2011** - Premier insurance processing specialist ReSource Pro is proud to announce its inclusion in the International Association of Outsourcing Professionals' "Global Outsourcing 100" list for 2011. The list, designed to recognize the world's most outstanding outsourcing providers, is based on applications evaluated by an independent panel of experts organized by the IAOP. The final lineup will be published in a special advertising section within the May 23<sup>rd</sup> issue of *Fortune* magazine; it will also be available online at [www.IAOP.org](http://www.IAOP.org).

In the words of IAOP chairman and judges' panel chair Michael Corbett, "The companies on 'The Global Outsourcing 100'...are proven leaders and rising stars. They are the companies you want to partner with to achieve success and better outsourcing outcomes."

The official numbers place ReSource Pro at #89 on the larger list of the world's 100 top outsourcing providers and #14 among the 25 "Rising Stars" designated by the IAOP as "smaller, faster growing companies" moving toward greater prominence in the industry. ReSource Pro was also included on several of the "Global Outsourcing 100" sub lists including "Best 10 Rising Stars in Revenue Growth" and "Top 20 List Climbers," and IAOP judges singled the company out for its performance in the "Customer References" and "Executive Leadership" categories. 2011 marks the third time that ReSource Pro has been included on IAOP's year-end lists: the company was also named an industry "Rising Star" in both 2007 and 2010.

ReSource Pro CEO Dan Epstein said, "We are very happy to be included in this listing of industry leaders. The IAOP's recognition reflects on all the hard work performed by our employees and the quality of service that we have provided to our clients. The IAOP is both an industry standard-bearer and a valuable partner for ReSource Pro."

### **About ReSource Pro**

With corporate headquarters in New York City and operations centers in Qingdao and Jinan, China, ReSource Pro is the leading provider of business process outsourcing services to the insurance distribution industry. The company provides clients with dedicated teams of insurance specialists trained to transform processing operations into

engines of revenue growth, profitability, and competitive advantage. They have enabled more than 115 insurance brokers, MGAs, and carriers across the country to increase operational efficiency and profit margins by freeing employees from routine processing activities. Company founder and Manager of China Operations Matthew Bruno is also a founding member of the Qingdao chapter of the IAOP.
